MESSAGE FROM THE CHAIRMAN

OPENING MINDS FOR NEW POSSIBILITIES

It is said that a leader is born with the birth of every child. The only need is to provide an enabling environment, careful nurturing and effective use of their unbound talents.

At the school, our philosophy is to reduce pressure and carefully nurture the student's hopes and desires while boosting self-esteem. We believe we all have the capacity to improve and learn. Children develop this capacity at different rates. And just like a potter moulds clay, constant encouragement, immense hard work and love can mold students into future leaders. This year, the pandemic changed the world for good, and we fast-tracked into hybrid learning overnight. Technology's making it easier for us to talk, to collaborate, to continue work. And, Jaipuria Group is leading the charge with online classes, assessments, music, dance, app based learning and other tools to ensure that no matter what, learning does not suffer.

Students at our school will not compete with each other, but with themselves by constantly raising their expectations and achievements. This will not only make them self driven but also sensitive and empathetic to other's failures and emotions. True learning comes through igniting the curiosity of each child and by guiding till they are free from fear of failures.

We seek to groom future leaders and ensure that each one is physically sound, mentally capable and emotionally secure to face challenges of life. We are but a guiding medium on their way to greatness ensuring they are not led astray.

MESSAGE FROM THE PRINCIPAL OPENING MINDS FOR NEW POSSIBILITIES

Greetings from Seth M. R. Jaipuria School, Bareilly!

A School is a temple of education. It requires different methodologies, teaching aids and correct environment for teaching-learning process, in addition to class rooms and teachers, principles and values that are committed to partnering parents in raising the next generation of leaders. It is a commitment from management for every parent & their wards who is going to take admission in Seth M. R. Jaipuria School, Bareilly, it is the personal responsibility of our team- our Principal, Faculty, Staff & Coordinator to give homely & healthy atmosphere and make them learn to face any challenge in the world in a passionate manner. I've strongly believed that it's always the child who's at the centre of the teaching-learning process, and there are four pillars for enhanced learning: teachers, parents, peers and the school environment. In these tough times more than ever before, I urge all educators to constantly engage with all stakeholders, ensure that the four pillars stay strong. Teachers and parents are natural allies. While teachers are there at the front of the classroom, it's the family back home that provides an essential foundation for achieving life goals and discovering oneself. That's why I believe that parental involvement in school is so important! During these days of lockdown, not a day passes by when I don't admire parents and teachers for adapting this 'new normal' so effectively. Jaipuria School in Bareilly is being built with the most modern & modular form while also keeping Vastu in mind, pollution free atmosphere, & creative learning spaces to satisfy a crucial need in today's world for students to learn, observe, introspect and contemplate. Education in such an ambience is a rewarding experience.

I believe that our Nation's Progress can happen when our children strive for the best in their individual and collective growth and contribute in the growth of One Nation, One World & progress of Mankind.
